*Every opportunity here is a vital part of a healthy ministry. If you are interested in volunteering in one of these roles, please contact Pastor Gina for more information.*

One of the simplest and most meaningful ways we live out our faith is by serving our neighbors. The Ministry Center provides nourishment, dignity, and hope to individuals and families in our community—and they need helping hands.

We invite you to consider signing up as a volunteer during our designated month of February to assist guests and offer a welcoming presence. Whether you can serve once or on a regular basis, your time makes a real difference.

If you're looking for a tangible way to share God's love, this is a beautiful place to start. Sign-up information will be available beginning Jan. 18 as a sign-up sheet at our welcome table and a sign-up genius link that will be emailed, and we'd love to have you serve alongside us.
